TWO WORDS OF THANKS
1. Special thanks to each one of you who
helped in any way to make our
Advent/Christmas Season at Berean so
beautiful: those who decorated, those who
made decorations, those who attended Vespers,
those who ushered, those who caroled, those
who sang and provided music during these days.
You each have been a blessing.

2. Esther and your pastor express their
thanks to each of you for your cards,
remembrances and the special gift. Your
thoughts and generosity are deeply
appreciated.

WATCH NIGHT SERVICE
Berean youth play host to the Christian
youth of the Carbondale Area on Wednesday
night from 6:30 to midnight.

The program begins with a
potluck/covered dish dinner, and a worship
service from 11:15 to midnight. Families of
youth are invited to attend. Please use
registration card to note attendance and what
dish you will provide. Thank you.

ANNUAL REPORTS
Soon we must begin the process of
preparing our annual report booklet in the
office. Please submit them to the Pastor or the
Financial Secretary in clear handwriting, printed
or typed. This will make our work so much
easier. Thank you.

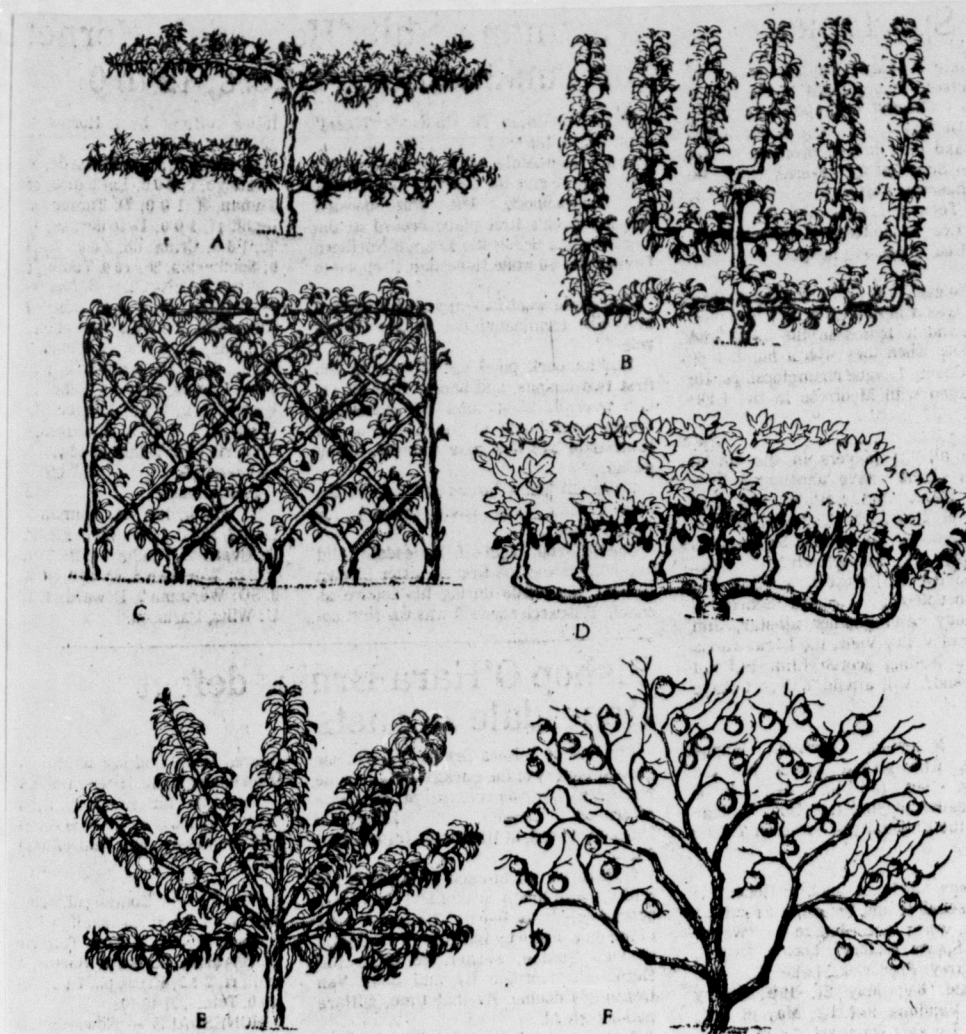

BELL TREE FOR MENELEYS
As of Sunday, December 21, Bereans gave
\$472 as a personal gift for David and Christie
Meneley this Christmas. Thank you.

The Christ of Christmas

Five names were given Jesus Christ
Long centuries before
He came down from His throne above
To open Heaven's door.
Isaiah calls Him "Wonderful,"
How well this prophet knew
His person and the works of love
That He on earth would do.
And next He calls Him "Counselor,"
Ah, this He is indeed!
And, oh, how blest we are today
When we His counsel heed.
"The Mighty God," yes, He alone
Has conquered death and sin,
And faith in His atoning blood
Will Heaven for us win.
"The Everlasting Father" — this
May seem a little odd —
But with the Father, Christ is one,
Redeemer, and true God.
"The Prince of Peace," how true this
is.
The angels knew it, too,
He brought a heavenly peace when He
Was born for me and you.
May we remember these five names—
And never once forget
The Saviour Who was thus portrayed
Is still among us yet.

—Marie C. Turk

Keep Christ in Christmas? When
did He ever leave?

Most of the popular fruit trees can be espaliered in a number of different forms.
A. A pomegranate tree pruned to a four-armed horizontal form, or cordon. B. An
apple trained to a six-armed palmette verrier. Pears as well as apple are often
pruned to this form. C. The Belgian fence, one of the most decorative espalier
patterns. This form requires at least five trees but can be done with many more.
It is usually used with apples and pears. D. Fig trees trained in a large,
dramatic horizontal espalier. E. A fan-shaped espalier, particularly suitable for
peaches and nectarines. F. Most of the popular fruit trees can be trained in
informal shapes, such as this persimmon.

I today gave
OUP a copy of
this illustration—
OUP & I are both
very interested
in such
espaliered
fruit trees.
My favorite
type is (C)—
the Belgian
fence.

"we must begin....
this will make
our work so much
easier..."

am I to understand that
Pullis will help with the
production of the 1986 Annual
Report? on vera.

\$28 given
today, and
so the grand
total is
\$500.00
